

PRACTICAL APPLICATION _____

1. On Sunday, Pastor Clay left us with two questions: 1) What is His power? and 2) Is it at work within me?

These are great questions for us. How can we know if it's at work in us and how can we access this power?

2. Paul prays for us to have strength in the Lord. Have you ever asked the Lord for strength? If so, what was it for?

In what area of your life do you currently need strength? How can your group be praying for you in that area of weakness?

CONNECT GROUP DISCUSSION QUESTIONS

For the week of October 30, 2022

GETTING STARTED _____

1. What are some modern-day mysteries that leave you scratching your head?

2. When you think of power, what comes to mind (i.e., electricity, heavy equipment, etc.)?

2. Before Jesus came, what problems did the Gentiles face? How do those images compare to your personal history?

Read **Galatians 2:1-21**. How do you think the practicing Jews felt when these Gentiles started coming to their church but didn't want to adopt the Jewish customs? What customs might draw that reaction from us today?

DIGGING DEEPER _____

(Read Ephesians 3 before you get started.)

1. Throughout the book of Ephesians, Paul makes mention of a "mystery."

In **Ephesians 3**, Paul explains the mystery he has been referring to. What was the mystery and what are the implications for us?

Why was it so important to Paul for Jews and Gentiles to understand their equal position before God?

3. According to **Romans 8:38-39**, there is nothing that can separate us from the love of God. How does knowing God's great love for us affect how we live our lives?

4. In **Ephesians 3:17**, Paul says because of Christ, we are "rooted and grounded in love." What do you think that means?
